Sanjay/Raj/Rob,

Subject to Argre's further review and comment, attached is an updated draft of the agreement reflecting the points discussed on yesterday's call, including comments received from Rob after Sanjay/Raj had to drop off.

We have provided some revised language in an attempt to address the situation where investment in a transaction may be limited by availability of leverage or regulatory factors, though we understand based on the call that Sanjay/Raj may revert with some additional feedback in this regard. We thought that the additional clarifying language might help to resolve this point.

Please advise as to availability for a call on Monday to hopefully resolve any remaining outstanding issues.
